

Strategies with the potential to sustain and grow your business

IOA's Financial Security Group helps business owners protect the life of their company. From executive and employee retention to business perpetuation, we have the insurance products with the potential to supplement your financial strategy and sustain your business.

Take steps to protect your company and your people...

Key Person Insurance Policies

Buy-Sell Insurance Policies to assist business continuity

Insurance Based Key Person Retention Solutions

Life, Disability, Long-Term Care

Perpetuation. Protection. No Pressure.

Don't let a disability, death or retirement of a key person interrupt your company's ability to operate. With IOA's Financial Security Group, you have a partner in planning.

An IOA insurance professional is ready to help you find insurance products with the potential to sustain and grow your business.
